Instructions for Tally of Absentee Ballots

1. One of the Judges of election, in the presence of the election officers shall, between the hours of 2 p.m. and 3 p.m., open the carrier envelopes.
2. Announce each and every one of the elector's names and compare the signature upon the applications with the affidavits upon the ballot envelopes.
3. In the presence of watchers, if any, open the ballot envelopes and take out the ballot without permitting same to be unfolded or examined.
4. Presiding officer shall endorse ballots, enter name of elector in poll list, number same and deposit in "Absentee Ballot Box."
5. After all such absentee ballots have been deposited in such absentee ballot box, the officers of such election shall designate such of their number as will not interfere with uninterrupted use of voting machines as provided for in Section 107 of this Act.
6. Absentee voting and the count of absentee ballots is conducted as outlined under sub sec. 7 of Section 79 and Section 107 Texas Election Laws.
