APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER

State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN

If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;

- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT

The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission (Commission) is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*

- State Board of Education.
- A multi-county district judge* or multi-county district attorney.
- A single-county district judge.*
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
- A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
- A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.

* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.
- An elected position on the board of directors of an appraisal district.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY

If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also

provide written notice to the original filing authority that your future reports will be filed with another authority; use Form CTA-T for this purpose.

FORMING A POLITICAL COMMITTEE

As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: *See the Campaign Finance Guide for Political Committees for further information about specific-purpose committees.*

CHANGING A CAMPAIGN TREASURER

If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT

If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS

If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING

All persons filing campaign finance reports with the Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES

All candidates should review the applicable Commission’s campaign finance guide. Guides are available on the Commission’s website at <http://www.ethics.state.tx.us>.

10. **CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
 - The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent

to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

PAGE 2

11. CANDIDATE NAME: Enter your name as you did on Page 1.

12. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party and candidates for county chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$1,140 in political contributions or make more than \$1,140 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$1,140 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

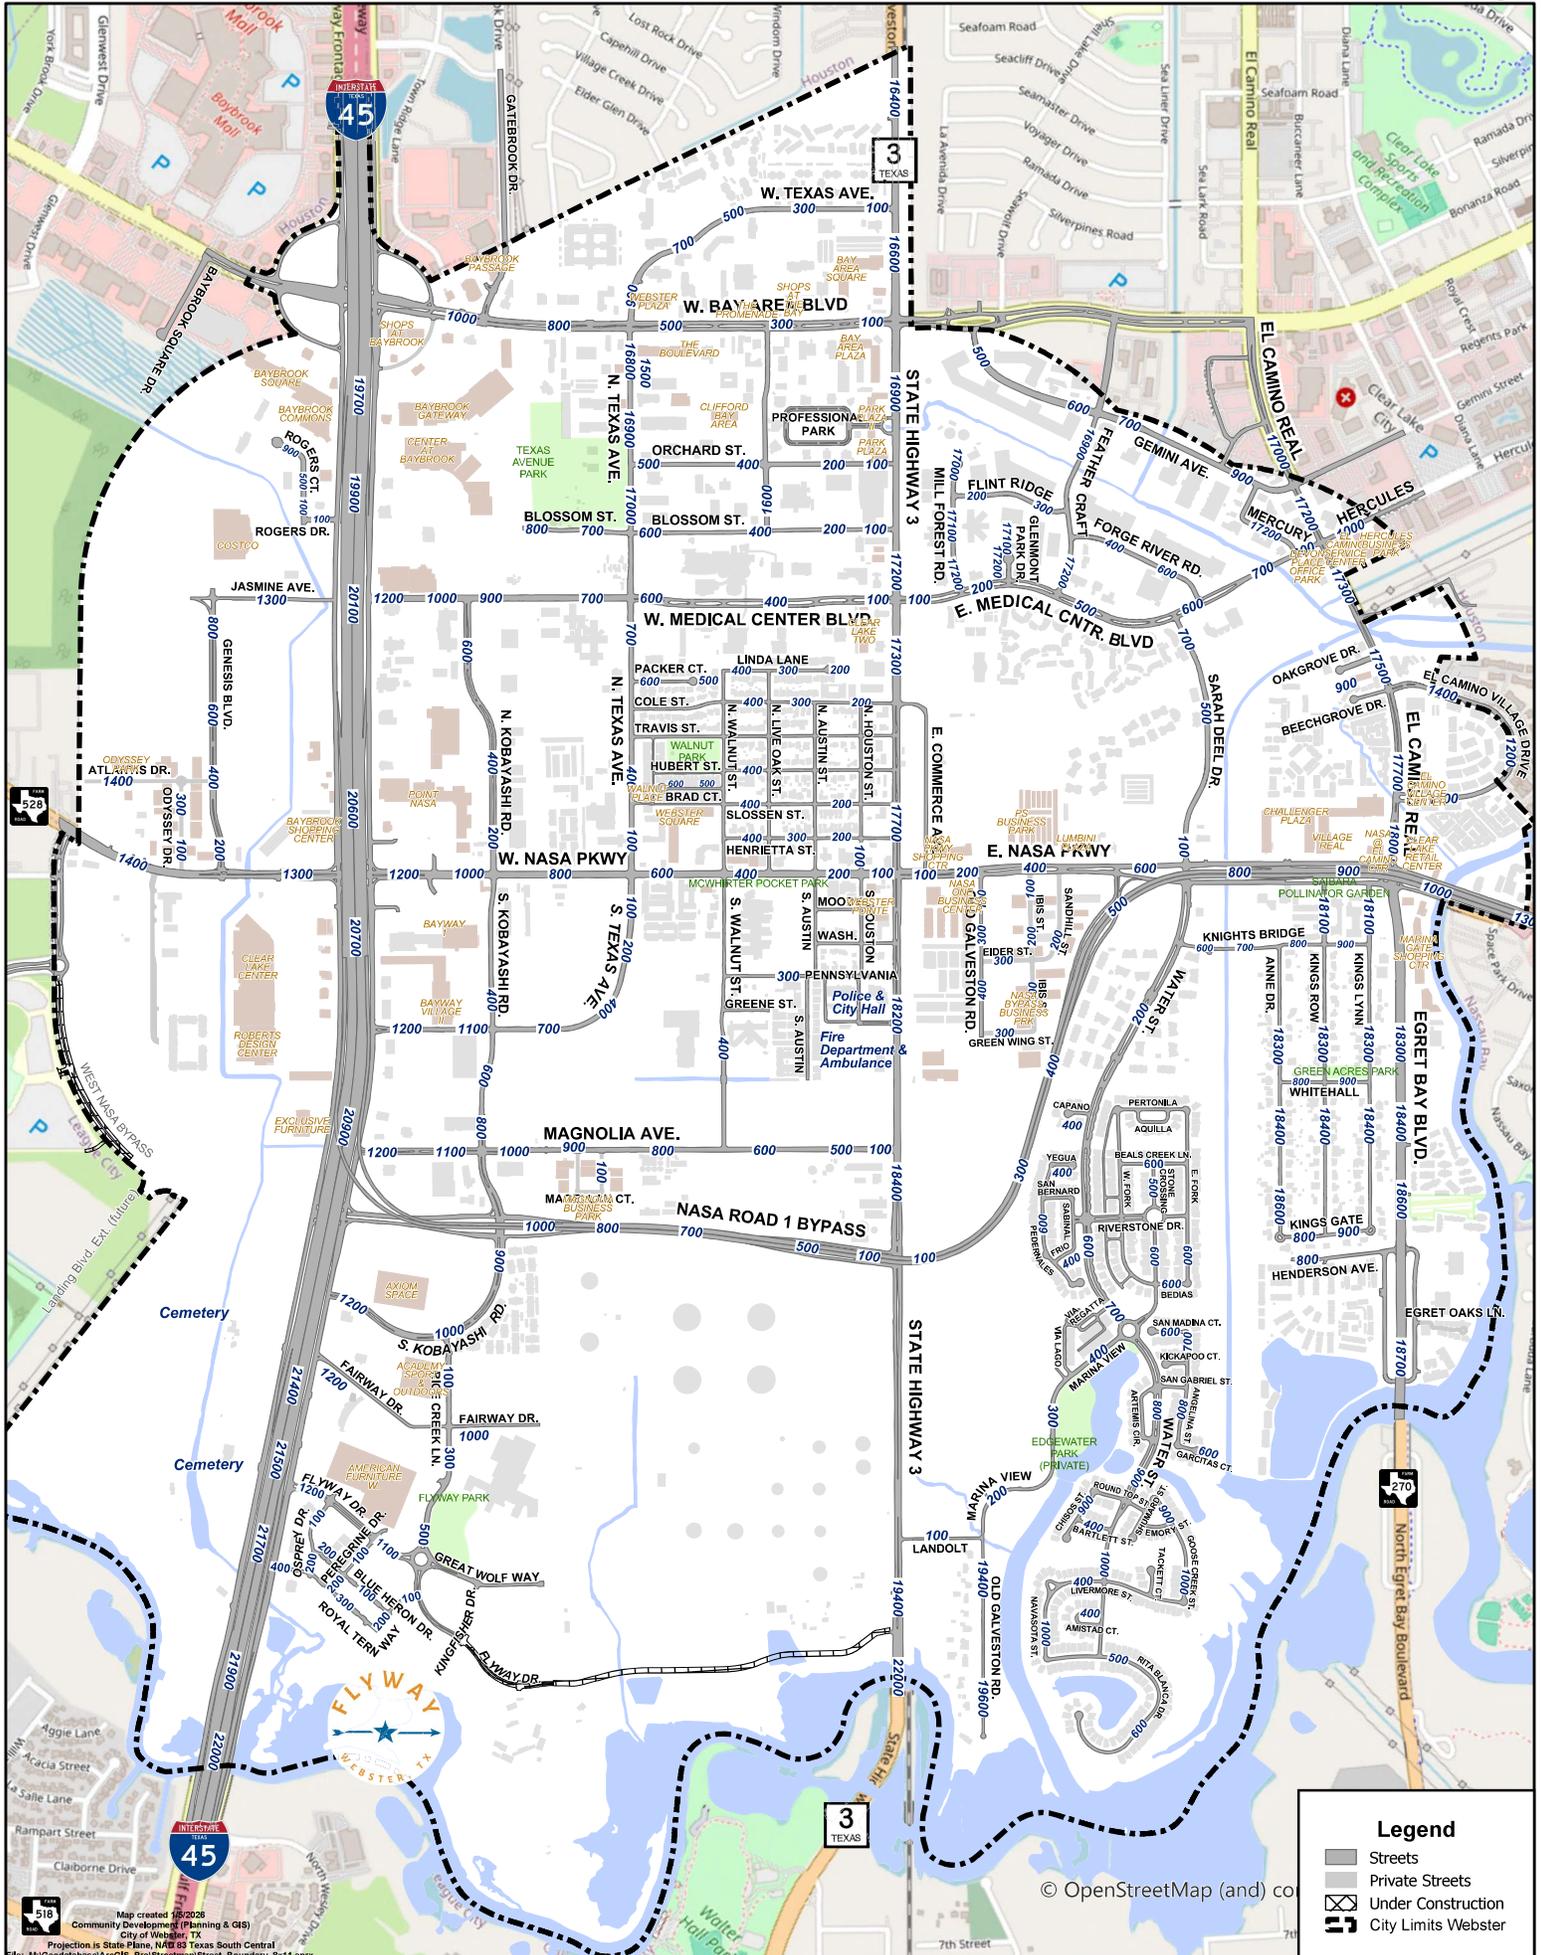

The \$1,140 maximums apply to each election within the cycle. In other words, you are limited to \$1,140 in contributions and expenditures in connection with the primary, an additional \$1,140 in contributions and expenditures in connection with the general election, and an additional \$1,140 in contributions and expenditures in connection with a runoff.

EXCEEDING \$1,140 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$1,140 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$1,140 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the AMENDMENT (FORM ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

The affidavit of one or more of the signers to the effect that said petition is signed by a majority of qualified voters shall be attached to the

petition. The council, at a regular session held no sooner than twenty (20) days after the presentation of said petition, by ordinance may annex such territory to the city.

2. Annexation of Unoccupied Lands on Petition of Owners:

The owner or owners of any land which is without residents, or on which less than three (3) voters qualified to vote for members of the State Legislature reside, and is adjacent to the city limits may request annexation of such territory by petition in writing to the council. The petition shall describe the property so owned in metes and bounds. The affidavit of one or more of the owners to the effect that there are no qualified voters in the territory and that the persons signing said petition own the land shall be attached to the petition. The council shall hear the petition of a landowner for annexation after the fifth day, but on or before the 30th day after the date the petition is filed, in accordance with V.T.C.A., Local Government Code 43.028.

3. Extension by Action of the City Council:

The council shall have the power of ordinance to fix the boundary limits of the city and to provide for the alteration and extension of said boundary limits, the annexation of additional territory lying adjacent to the city, with or without the consent of the owners and inhabitants of the territory annexed, in any manner not inconsistent with the procedural rules prescribed by the Legislature of the State of Texas in the Municipal Annexation Act as heretofore and hereafter amended.

4. Annexation by Any Other Method Provided by Law:

Additional territory may also be annexed to the city in any manner and by any procedure that may now be provided by law or that may be hereafter provided by law or in such manner as shall be provided by ordinances or resolutions of the council. Same shall be in addition to the methods hereinabove provided.

- B. The recall petition must specifically state each ground or grounds upon which such petition for removal is predicated as to give the officer(s) sought to be removed notice of the matters on which the proposed recall is based.

The provisions regulating initiation, certification, amendment, withdrawal of initiative and referendum petitions and submission to voters shall apply to recall petitions.

The use of city funds, properties, equipment, supplies, resources, and facilities for the purpose of promoting either side of an issue of initiative, referendum or recall shall be prohibited, except that city facilities and properties may be used to stage fair and impartial debates or forums in which all interested parties are given equal opportunity to express their viewpoints.

Petitions shall contain or have attached throughout their circulation the full text of the ordinance proposed or sought to be reconsidered, or in the case of recall petition, a statement which distinctly and specifically states the ground(s) upon which such petition for removal is predicated. If there be more than one (1) ground, the statement shall specifically state each ground with certainty as to give the officer(s) sought to be removed notice of such matters with which he is charged.
- C. Each page shall have attached to it, when filed, an affidavit executed by the circulator stating that he personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in his presence, that he believes them to be genuine signatures of the persons whose names they purport to be, and that each signer had an opportunity before signing to read the full text of the ordinance proposed, or sought to be reconsidered, or the identity of and charges against the official whose recall is being sought.

The city secretary shall declare any copy of the petition entirely invalid which does not have attached thereto an affidavit signed by the circulator thereof. If a copy of the petition is found to be signed by more persons than the number of signatures certified by the circulator, each signature not certified shall be disregarded. If a copy of a petition is found to be signed by fewer than the number certified, the signatures shall be accepted unless void on other grounds. After completing examination of the petition, the city secretary shall certify the results thereof to the council at its next regular meeting. If the city secretary shall certify that the petition is insufficient, the city secretary shall set forth in the certificate the particulars in which it is defective and shall at once notify the committee of the petitioners of their findings.

Sec. 7.05 Amendments

An initiative or referendum petition may be amended at any time within ten (10) days after the notification of insufficiency has been sent by the city secretary, by filing a supplementary petition upon additional copies signed and filed as provided in case of an original petition. The city secretary shall, within five (5) days after such an amendment is filed, make examination of the amended petition, and if the petition be still insufficient, the city secretary shall file a certificate to that effect and notify of the petitioner of the findings and no further action shall be had on such insufficient petition. The findings of the insufficiency of a petition shall not prejudice the filing of a new petition for the same purpose, provided that any petition for referendum shall be filed within the time provided by Section 7.03.

Sec. 7.06 Effect of Certification of Referendum Petition

When a referendum petition is filed with the city secretary, the ordinance sought to be reconsidered shall be suspended from taking effect. Such suspension shall terminate when:

- D. Transfer of Appropriations: At any time during the fiscal year the city manager may transfer part or all of any unencumbered appropriation balance among programs within a department, division, or office and, upon written request by the city manager, the council may by ordinance transfer part or all of any unencumbered appropriation balance from one department, office or agency to another.

Sec. 8.08 Administration of Budget

- A. Payments and obligations prohibited: No payment shall be made or obligation incurred against any allotment or appropriation except in accordance with appropriations duly made and unless the city manager or his designee first certifies that there is a sufficient unencumbered balance in such allotment or appropriation that sufficient funds are or will be available to cover the claim or meet the obligation when it becomes due and payable. Any authorization of payment or incurring of obligation in violation of the provisions of this charter shall be void and any payment so made illegal. Such action shall be cause for removal of any officer who knowingly authorized or made such payment or incurred such obligations, and he shall also be liable to the city for any amount so paid. However, this prohibition shall not be construed to prevent the making or authorizing of payments or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds, time warrants, certificates of indebtedness, certificates of obligations, or grants from other governmental bodies, or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, provided that such action is made or approved by ordinance. This plan shall be forwarded, at least one hundred and twenty (120) days prior to the beginning of the following budget year, to the city manager who shall submit it to the council with his recommendations thereon. The council shall hold a public hearing on the proposed comprehensive plan, or modification thereof, and shall thereafter adopt it by resolution with or without amendment.

In the event that an inspection is warranted by the Chief Building Official of a potential dangerous building, the findings and disposition of said building shall be submitted to the Building Board of Adjustment for review and subsequent recommendation which will be forwarded to the City Council for final review and action.

The Zoning Board of Adjustment shall have the power to hear and review appeals and allow exceptions and grant variances from the zoning regulations, in such cases where the variance will not be contrary to the public interest, and where the literal interpretation and enforcement of the zoning ordinances would impose an unnecessary hardship and would itself violate the spirit, purpose and intent of the ordinances. Any persons, jointly or severally, aggrieved by any decision of the Zoning Board of Adjustment, may present to a court of competent jurisdiction a petition for a writ of certiorari as provided by Vernon's Texas Code Annotated, Local Government Code § 211.011, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented within ten days of the date of the decision of the Zoning Board of Adjustment.

No franchise shall be exclusive.

Sec. 10.04 Transfer of Franchise

No public service franchise shall be transferable except with the approval of the council as expressed by ordinance. The term "transferable," as used herein, shall not be construed in such a manner as to prevent the franchisee from pledging said franchise assets as security for a valid debt or mortgage.

Sec. 10.05 Franchise Value Not To Be Allowed

In fixing reasonable rates and charges for utility service within the city and in determining the just compensation to be paid by the city for public utility property which

the city may acquire by condemnation or otherwise, nothing shall be included as the value of any franchise granted by the city under this charter.

Sec. 10.06 Right of Regulation

In granting public service franchises or in amending, renewing or extending them, the city shall have the following rights:

- A. To forfeit any such franchise by ordinance at any time for failure of the holder thereof to comply with the terms of the franchise. Such power shall be exercised only after written notice to the franchise holder stating wherein the franchise holder has failed to comply with the terms of the franchise and setting a reasonable time for the correction for such failure, and shall be exercised only after hearing and after such reasonable time has expired.
- B. To require such expansion, extension, enlargement and improvements of facilities and services as are necessary to provide adequate service to the public, and maintenance of the facilities and service at the highest reasonable standard of efficiency.

It shall be deemed sufficient compliance with this paragraph if the franchisee keeps its accounts in accordance with the uniform system established by any federal or state agency for their service.
- E. To require the franchisee and/or utility to restore, at the franchisee's expense, all public or private property to a condition as good as or better than before disturbed by the franchisee for construction, repair or removal.
- F. To require every franchisee to furnish within a reasonable time to the city, without cost to the city, a general map, with updates outlining the location, character, size, length and terminals of all facilities of such franchisee in, over and under ground or property in the city and to provide detailed information on request.
- G. The city shall have the right to set rates of city-owned public services.

The franchise holder shall reimburse the city for its reasonable and necessary expenses so incurred.
- D. The franchise holder may, if not satisfied with the rate, charge or fare ordered by council, make a motion for rehearing within twenty (20) days of the entry of such order. Such motion will be deemed over-ruled if not acted upon by council within thirty (30) days, provided that council may by resolution extend such time for action on the motion to a maximum of sixty (60) days.
- E. No franchise holder may institute legal action contesting such rate, charge or fare fixed by council until such public service has exhausted all remedies provided herein.

Sec. 10.08 Option to Purchase

Any public utility franchise may be terminated by ordinance after ten (10) years after the beginning of operation, whenever the council determines to acquire by condemnation or otherwise the property of such utility necessarily used in or conveniently useful for the operation of the city within the city limits of same.

Sec. 10.09 Accounts of Municipally-Owned Utilities

operating expenses including depreciation, interest payments, rental, and other disposition of annual income. Specific-purpose committees created to support or oppose a measure on the issuance of bonds by a school district must file all campaign finance reports with the Texas Ethics Commission instead of with the school district. However, such committees will continue to file campaign treasurer appointments with the school district (with the secretary or presiding officer of the school district board). For more information see the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES on our website.

NOTE: A political committee must file pre-election reports if the committee is involved with an election. The campaign treasurer of a political committee may be required to file 30-day and 8-day pre-election reports in connection with elections not listed on this schedule.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline, where applicable. A report transmitted over the Internet is considered timely filed if it is transmitted *by midnight, Central Time Zone, on the night of the filing deadline*. For most reporting periods, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office properly addressed with postage and handling charges prepaid to P.O. Box 12070, Austin, Texas, 78711-2070, or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to 201 E. 14th St., Sam Houston Building, 10th Floor, Austin, Texas, 78701, by the filing deadline. **Pre-Election Reports:** A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after a political committee filed a campaign treasurer appointment. (*NOTE:* If you are ever confused about the beginning date for a required report, remember this rule: **There should never be gaps between reporting periods and, generally, there should not be overlaps.**)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

MORATORIUM ON CONTRIBUTIONS

December 12, 2026 – Last day to accept contributions before the 2027 Regular Legislative Session.

June 21, 2027 – First day to accept contributions after the 2027 Regular Legislative Session.

Please note that December 14, 2026, is the last day on which legislators, certain statewide officers, and certain political committees may accept contributions. The moratorium on accepting contributions begins December 13, 2026, and continues through June 20, 2027.

The following are subject to the moratorium:

- Statewide officeholders, including officeholders-elect;
- Members of the legislature, including members-elect;
- Specific-purpose committees that support, oppose, or assist statewide officeholders or members of the legislature; and
- Legislative caucuses.

Judicial offices are not covered by this moratorium. Judicial offices are subject to other laws that provide specific judicial fundraising periods.

A statewide officeholder or member of the legislature who was defeated at the November 3, 2026, general election is not subject to the moratorium, nor is a specific-purpose political committee that supports or assists only such an officeholder or member.

INFORMATION PERTAINING TO JUDICIAL CANDIDATES AND OFFICEHOLDERS

A candidate subject to the Judicial Campaign Fairness Act must file a campaign treasurer appointment (Form JCTA) with the proper filing authority before accepting a campaign contribution or making or authorizing a campaign expenditure. NOTE: The Judicial Campaign Fairness Act applies to political contributions and expenditures in connection with the office of chief justice or justice, supreme court; presiding judge or judge, court of criminal appeals; chief justice or justice, court of appeals; district judge; judge, statutory county court; or judge, statutory probate court.

Limited Time Period for Accepting Contributions. A candidate subject to the Judicial Campaign Fairness Act may accept political contributions (campaign contributions or officeholder contributions) only during a limited time period. These restrictions also apply to any specific purpose committee that supports or opposes a judicial candidate and any specific purpose political committee that assists a judicial officeholder.

Beginning Date. Candidates seeking an office that will be filled at the November 3, 2026, general election may accept political contributions during a time period that begins on **May 12, 2025**. (A **write-in candidate** may begin accepting contributions only after filing a declaration of write-in candidacy with the secretary of state or county judge, as applicable.)

Ending Date. The time period ends on one of the following dates, as applicable:

July 1, 2026, for candidates who lost in the primary election.

September 23, 2026, for candidates who lost in the primary runoff election.

March 3, 2027, for candidates who last appeared on the ballot in the general election.

2026 Judicial District Populations (based on 2020 census data). The restrictions in the Judicial Campaign Fairness Act include contribution and expenditure limits, which may vary according to the population of the judicial district. The 2026 population certification for each judicial district is located at www.ethics.state.tx.us/data/resources/judicial/JudicialDistrictPopulations.pdf on the Ethics Commission's website.

Other Restrictions. Candidates and officeholders subject to the Judicial Campaign Fairness Act are subject to various campaign finance restrictions that do not apply to nonjudicial candidates and officeholders. For more information, see the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS on the Ethics Commission's website.

GENERAL INSTRUCTIONS

These general instructions apply to all C/OH forms required to be filed under title 15, Texas Election Code, for activity that occurs on or after January 1, 2024. For a report that includes activity occurring before January 1, 2024, you must use the instructions applicable before that time, which are available on the Texas Ethics Commission's website at <https://www.ethics.state.tx.us/forms/coh/cohfrm.php>.

IMPORTANT UPDATES

Increased Disclosure Thresholds

On January 1, 2020, the Texas Ethics Commission began adjusting certain reporting thresholds to account for inflation. As directed by section 571.064 of the Texas Government Code, the Commission is required to annually adjust these thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor. Accordingly, one or more thresholds will generally be adjusted each year, depending upon the figures in the index.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: <https://www.ethics.state.tx.us/rules/>. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

Contributions Made Electronically Must Be Itemized

Beginning on September 1, 2019, all political contributions that are made electronically and accepted by a filer during the reporting period must be itemized in the filer's campaign finance report. This change is made by House Bill 2586, adopted by the 86th Texas Legislature.

ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission (Commission) are required to file those reports electronically unless the person is eligible to claim an exemption. Check the Commission's website at <https://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, print everything other than your signature.

If you are filing with the Commission, and you are eligible to claim an exemption to electronic filing, ***you may use your own computer-generated form*** if it provides for disclosure of all the information required on the Commission's form and it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the Commission's prescribed form must be submitted for pre-approval by the Commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, call our office at (512) 463-5800.

TEXAS ETHICS COMMISSION GUIDES

The Commission publishes a Campaign Finance Guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The Commission encourages you to read the appropriate guide before you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Commission forms. For example, if the space provided on Schedule A1 is insufficient, you may make copies of a blank Schedule A1 form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date.

If you are filing with the Commission, address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the Commission's street address is 201 East 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

FORM C/OH: CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT

These instructions are for the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (Form C/OH). A complete report includes the Form C/OH cover sheet, and any of the following schedules on which there is information to report: A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T. A complete Final Report must also include Form C/OH-FR.

Note: Judicial candidates and officeholders must use a different form, Form JC/OH.

GENERAL INFORMATION

Use Form C/OH for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- Exceeded Modified Reporting Limit report
- 15th day after officeholder campaign treasurer appointment
- Final Report

See the instructions for sections 9 and 10 of the Cover Sheet for help in deciding which reports you are required to file.

OFFICEHOLDER ACTIVITY

An officeholder may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. However, an officeholder must have a campaign treasurer appointment on file before the officeholder may make campaign expenditures or accept campaign contributions.

DUTIES OF CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

DUTIES OF CAMPAIGN TREASURER

State law does not impose any reporting or record-keeping obligations on a candidate's campaign treasurer.

WHERE TO FILE

This form is filed with the same filing authority with which you were required to file your Campaign Treasurer Appointment (Form CTA). If you are an officeholder who does not have a campaign treasurer appointment on file, file your reports with the same authority with which a candidate for your office must file the campaign treasurer appointment.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a Final Report of contributions and expenditures. A Final Report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports *as a candidate*. If you are an officeholder at the time of filing a Final Report, you may be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$1,080 in contributions or expenditures during the reporting period.

You are required to file a report of unexpended contributions (using Form C/OH-UC) if *all* of the following apply to you: you are not a current officeholder, you have filed a final report, and you retain political contributions. Officeholders who leave office, no longer have a treasurer appointment on file, file a final report, and still retain political contributions will also owe this report. See Instructions for Form C/OH-UC for further information. To file a Final Report, you must complete the “C/OH CAMPAIGN FINANCE REPORT” (Form C/OH), check the “final” box in section 9 on the Cover Sheet, and complete and attach the “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH- FR).

COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

January 15 (Semiannual) Report: All candidates and most officeholders must file a semiannual report by January 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$1,080 in contributions or expenditures during the reporting period.

All candidates and officeholders who file with the Commission must file this report by midnight Central Time on the January 15 report due date. All candidates and officeholders who file locally must file this report by 5 p.m. on the January 15 report due date.

Note: Anyone who has a campaign treasurer appointment (Form CTA) on file must file semiannual reports, even after an election has ended and even if the filer lost the election. To end this semiannual filing requirement, the filer must cease campaign activity and file a Final Report. (See “Final Report” below for more information.)

July 15 (Semiannual) Report: All candidates and most officeholders must file a semiannual report by July 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$1,080 in contributions or expenditures during the reporting period.

See “January 15 Report” above for more information on filing requirements and deadlines for semiannual reports.

30th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting, but then exceeded a threshold before the 30th day before the election, the candidate must file this report.

The report is due no later than 30 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

You are an "opposed" candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. If you are a write-in candidate, you are an "opposed" candidate subject to the reporting requirements if you accept political contributions or make political expenditures. Candidates who are unopposed in an election are not required to file pre-election reports for that election.

8th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting but then exceeded a threshold before the 8th day before the election, the candidate must file this report.

The report is due no later than 8 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Runoff Report: Opposed candidates who are participating in a runoff election and who did not choose the modified reporting schedule must file this runoff report. The report is due no later than 8 days before the runoff election. For all candidates and officeholders who file with Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Exceeded Modified Reporting Limit Report: Candidates who chose to file under the modified reporting schedule but then, after the 30th day before the election, exceeded \$1,080 in contributions or \$1,080 in expenditures in connection with the election must file this Exceeded Modified Reporting Limit report within 48 hours after exceeding the \$1,080 limit. The candidate must meet this deadline even if it falls on a weekend or a holiday.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. For all officeholders who file with Commission, this report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the Commission. For all officeholders who file locally, this report is due no later than 5 p.m. on the 15th day after an officeholder files Form CTA with the filing authority. It is not required of officeholders who are merely changing their campaign treasurer. It is not required of an officeholder who files locally if the officeholder did not exceed \$1,080 in either contributions or expenditures during the period covered by the report. Candidates who are not officeholders do not file this report.

Final Report: A person who has a campaign treasurer appointment on file may file this report when he or she does not expect to accept any further campaign contributions or make or authorize any further campaign expenditures. There is not a fixed deadline for this report. This report must have a completed “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH-FR) attached.

A candidate must have a CTA on file to accept campaign contributions or make campaign expenditures, including contributions intended to offset campaign debts or expenditures made to pay campaign debts. A candidate who intends to continue campaign activity should not file a Final Report.

A Final Report terminates a candidate’s CTA and relieves the candidate from any additional filing obligations as a candidate. Officeholders who file a Final Report will still be subject to the filing requirements applicable to officeholders. A person who is not an officeholder but who has surplus political funds or assets after filing a Final Report will be required to file annual Unexpended Contribution reports. (See “Form C/OH-FR: Designation of Final Report” for more information.) A candidate or officeholder who does not have a CTA on file may still be required to file a personal financial statement (PFS).

Filing a Final Report does not relieve a candidate of responsibility for any delinquent reports or outstanding civil penalties.

Daily Pre-Election Report of Contributions: A candidate or officeholder who files with the Commission may be required to file daily pre-election reports disclosing contributions during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. This information is disclosed on Form Daily-C C/OH. For more information, see the instructions for Form Daily-C C/OH.

Legislative Special Session Report: All statewide candidates and officeholders and members of and candidates for the legislature who accept a political contribution during the period beginning on the date the governor signs the proclamation calling a special legislative session and continuing through the date of final adjournment are required to file a report after a special session of the legislature. This information can be disclosed on Form C/OH-SS. For more information, see the instructions for Form C/OH-SS.

10. PERIOD COVERED: A reporting period includes the start date and the end date. The *due date* for filing will generally be *after* the end of the reporting period. Generally, a report picks up where the last report left off, and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports, which do create overlaps because you are required to report the activity twice.

First Reports: If this is the first report of contributions and expenditures that you have filed, the beginning date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (a person who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the start date for your first report will be the date you took office.

January 15th (Semiannual) Report: The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, see the “First Reports” section above. The end date is December 31 of the previous year.

July 15th (Semiannual) Report: The start date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, see the “First Reports” section above. The end date is June 30.

30th Day Before Election Report: The start date is the day after the last day covered by your last required report. If this is the first report you have filed, see the “First Reports” section above. The end date is the 40th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

8th Day Before Election Report: The start date is the 39th day before the election if you filed a 30th Day Before Election Report. If you did not file the 30th Day Before Election Report, the day after the last day covered by your last required report is the start date. If this is the first report you have filed, see the “First Reports” section above. The end date is

the 10th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

Runoff Report: The start date is the 9th day before the main election if you filed an 8th Day Before Election Report. Otherwise, the start date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer, whichever is later. The end date is the 10th day before the runoff election. This report is not required for candidates who are filing under the modified reporting schedule.

Exceeded Modified Reporting Limit Report: The start date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The end date is the day you exceeded the \$1,080 limit for contributions or expenditures.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): The start date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The end date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

Final Report: The start date is the day after the last day covered by your last required report. The end date is the day the final report is filed.

If you are an officeholder without a campaign treasurer appointment on file, or if you have a campaign treasurer appointment on file but you are not a candidate in an upcoming election and were not a candidate in a recent election, you may skip Section 11.

The political committee is required to include in the notice the full name and address of the committee, the full name and address of the committee’s campaign treasurer, and a statement indicating whether the committee is a general-purpose committee or a specific-purpose committee. 16. FILER ID: See instructions for Cover Sheet, page 1, section 1.

17. TOTALS: Complete this section only after you have completed all applicable schedules.

Line 1- Total Unitemized Political Contributions: Enter the total of all unitemized contributions (other than pledges, loans, guarantees of loans, or contributions made electronically) of \$110 or less. Do not include any contributions itemized on Schedules A1 or A2 or any contributions made electronically. Enter a “0” if you did not receive any unitemized contributions during the period covered.

On Schedules A1 and A2, you are required to itemize political contributions that totaled more than \$110 from one person during the reporting period and any political contribution that is made electronically. (Remember: If the committee received contributions *totaling* more than \$110 from one person during the reporting period, you are required to itemize all of those contributions, even if individual contributions were \$110 or less.) You may also itemize contributions of \$110 or less from one person. Do not include any itemized contributions in the total entered on line 1, regardless of amount.

Line 2- Total Political Contributions: Add the total contributions listed on Schedules A1 and A2 to the amount you entered on line 1. Enter that total on line 2. Enter a “0” if you did not receive any contributions during the period covered.

Line 3- Total Unitemized Political Expenditures: Enter the total of all unitemized political expenditures of \$220 or less. Do not include any expenditures itemized on Schedules F1, F2, F3, F4, G, or H. Enter a “0” if you did not make any unitemized expenditures during the period covered.

On Schedule F1, you are required to itemize political expenditures that totaled more than \$220 to one payee. (Remember: If the committee made expenditures *totaling* more than \$220 to one person during the reporting period, you are required to itemize all of those expenditures, even if individual expenditures were \$220 or less.) You may also itemize expenditures totaling \$220 or less to one payee. Do not include any expenditures itemized on Schedule F1 in the total entered on line 3, regardless of amount.

On Schedule F2, you are required to itemize incurred but not yet paid political expenditures that totaled more than \$220 to one payee. You may also itemize incurred but not yet paid political expenditures totaling \$220 or less to one payee. Do not

include any political or non-political expenditures itemized on Schedule F2 in the total entered on line 3, regardless of amount.

Enter a “0” if you did not make any expenditures during the period covered.

Line 5- Total Political Contributions Maintained: Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter “0” if you do not maintain political contributions, including interest or other income on those contributions, as of the last day of the reporting period. This is different from the total contributions reported on line 2. Only contributions accepted during the period covered by the report are entered on line 2.

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on

deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer.

The total amount of political contributions maintained does *not* include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

Line 6- Total Principal Amount of All Outstanding Loans: Enter the aggregate outstanding principal amount of all loans accepted for campaign or officeholder purposes as of the last day of the reporting period. Enter a “0” if you did not accept any loans during the period covered and have no outstanding loans as of the last day of the reporting period. This is different from the information reported on Schedule E. This line must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously.

18. SIGNATURE: Complete this section only after you have completed all applicable sections and schedules. You must always sign a report that you file. You must complete this section even if you have no schedules to attach. *Only the candidate or officeholder filing the report may sign the report.*

If you are using the paper form, fill this section out by hand after you finish the rest of this report. You have the option to either: (1) take the completed form to a notary public where you will sign above the first line that says “Signature of Candidate/Officeholder (Declarant)” (an electronic signature is not acceptable) and your signature will be notarized, or (2) sign above both lines that say “Signature of Candidate/Officeholder (Declarant)” (an electronic signature is not acceptable), and fill out the unsworn declaration section.

SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about monetary campaign and officeholder contributions accepted during the reporting period. Do not enter on this schedule information on non-monetary, in-kind contributions, pledges, loans, or guarantees of loans. Once you actually receive pledged money, it must be reported on Schedule A1. (Report non-monetary, in-kind contributions on Schedule A2; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter incoming monetary contributions that exceed \$110 from one person, and any monetary contribution made electronically, during the reporting period on this schedule. If you accepted two or more contributions from the same person, the total of which exceeds \$110, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$110 in the period on this schedule. If you do not itemize contributions of \$110 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE A1:** After you have completed Schedule A1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date you *accepted* the contribution.

Accepting a contribution is different from *receiving* a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

Failure to make a determination about acceptance or refusal: If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

Returning refused contributions: If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

- 5. FULL NAME OF CONTRIBUTOR:** Enter the full name of the contributor. If the contributor is an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable. If the contributor is an entity, enter the full name of the entity.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. Certain restrictions apply to contributions from out-of-

state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

If the contributor is an out-of-state political committee from which you accepted more than \$1,080 in the reporting period (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$220 to the out-of-state political committee during the 12 months immediately preceding the contribution; *or*
- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee.

If the contributor is an out-of-state political committee from which you accepted \$1,080 or less (including pledges) during the reporting period, you must include one of the following with your report:

- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee; *or*
- a document listing the committee’s name, address and phone number; the name of the person appointing the committee’s campaign treasurer; and the name, address and phone number of the committee’s campaign treasurer.

“ID #” Line (Electronic Filing Only): If you are filing your report electronically, you may enter in this field the out-of-state committee's Federal Election Commission (FEC) identification number. If you do not have an FEC # for the out-of-state PAC or are not filing electronically with the Commission, you must provide other documentation as explained above.

- 6. CONTRIBUTOR ADDRESS:** Enter the complete address of the contributor.
- 7. AMOUNT OF CONTRIBUTION:** Enter the exact amount of the contribution.
- 8. PRINCIPAL OCCUPATION OR JOB TITLE:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$1,080 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

9. **EMPLOYER:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$1,080 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about non-monetary, in-kind campaign and officeholder contributions received during the reporting period. An in-kind contribution is a contribution of goods, services, or any other thing of value ***other than money*** that is given to your campaign. You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on monetary political contributions, pledges, loans, or guarantees of loans. Once you actually receive a pledged in-kind contribution, it must be reported on Schedule A2. (Report monetary contributions on Schedule A1; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter non-monetary (in-kind) contributions of goods, services, or other things of value that exceed \$110 from one person, and any non-monetary contribution made electronically, during the reporting period on this schedule. If you accepted two or more non-monetary contributions from the same person, the total of which exceeds \$110, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$110 in the period on this schedule. If you do not itemize contributions of \$110 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

- 4. TOTAL OF UNITEMIZED IN-KIND POLITICAL CONTRIBUTIONS:** Enter the total amount of in-kind political contributions of \$110 or less that you accepted during the period covered that are not itemized on this schedule. If you choose to itemize an in-kind contribution of \$110 or less on this schedule, do not include it in this total. All contributions made electronically must be itemized.
- 5. DATE:** See instructions for Schedule A1, section 4.
- 6. FULL NAME OF CONTRIBUTOR:** See instructions for Schedule A1, section 5.
“Out-of-State PAC” box: See instructions for Schedule A1, section 5.
- 7. CONTRIBUTOR ADDRESS:** Enter the complete address of the contributor.
- 8. AMOUNT OF CONTRIBUTION:** Enter the fair market value of the in-kind contribution.

9. IN-KIND CONTRIBUTION DESCRIPTION: Enter a description of the contribution. The description should be sufficiently detailed to allow a person reviewing your report to understand what was contributed.

“Check if Travel Outside of Texas” box: Check this box if the expenditure was for travel outside of Texas. The description of a political expenditure for travel outside of Texas must include detailed information. Report this information on Schedule T.

10. PRINCIPAL OCCUPATION OR JOB TITLE: See instructions for Schedule A1, section 8.

11. EMPLOYER: See instructions for Schedule A1, section 9.

Sections 12-16 pertain to judicial candidates and officeholders only. Do not complete these sections. If you are a judicial candidate or officeholder, use form JC/OH and the corresponding instructions.

SCHEDULE B: PLEDGED CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE B: PLEDGED CONTRIBUTIONS.

Use this schedule to disclose information about pledges accepted during the reporting period for campaign or officeholder purposes. You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on contributions actually received, loans, or guarantees of loans. (Report contributions actually received on Schedule A1 or Schedule A2, as applicable; report loans and guarantees of loans on Schedule E.)

If you accept a pledge from a person to give you money, goods, services, or anything of value, that pledge is a reportable contribution and you must include the pledge on this schedule for the report covering the period in which you accept the pledge.

Itemization: You must itemize pledges that exceed \$110 in the aggregate from one person during the reporting period. If you accepted two or more pledges from the same person during the reporting period, the total of which exceeds \$110, enter each pledge separately. Although you are not required to do so, you may also itemize pledges for \$110 or less from one person. You must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule

Note: See the Campaign Finance Guide for more information on pledges.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED PLEDGES:** Enter the total amount of pledges that you accepted during the period that did not exceed \$110 in the aggregate per person. Although you are not required to do so, you may also itemize pledges of \$110 or less on this schedule. If you itemize some pledges of \$110 or less, do not include those pledges in the total entered here. If you choose to itemize all pledges of \$110 or less, enter a "0" here.
- 5. DATE:** Enter the date you *accepted* the pledge. Accepting a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it.

Pledge accepted and received in different reporting periods: If you accept a pledge in one reporting period and then receive the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in

the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If you receive payment of a pledged contribution in the same reporting period in which the pledge was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). For a pledged contribution paid in the same reporting period, the date of the contribution will be the date your committee *accepted* the pledge, regardless of what date within the reporting period that the pledged contribution was actually *received*.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

Example: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

6. FULL NAME OF PLEDGOR: Enter the full name of the person who made the pledge.

“Out-of-State PAC” box: See instructions for Schedule A1, section 5.

7. PLEDGOR ADDRESS: Enter the complete address of the person who made the pledge.

8. AMOUNT OF PLEDGE: Enter the exact amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

9. IN-KIND DESCRIPTION: If the pledge was for goods or services or any other thing of value, enter a description of the pledged goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing your report to understand what was pledged.

“Check if Travel Outside of Texas” box: Check this box if the expenditure was for travel outside of Texas. The description of a political expenditure for travel outside of Texas must include detailed information. Report this information on Schedule T.

10. PRINCIPAL OCCUPATION OR JOB TITLE: See instructions for Schedule A1, section 8.

11. EMPLOYER: See instructions for Schedule A1, section 9.

You do not need Schedules C1-4 and D. These schedules are for political committees to report contributions from corporations and labor organizations. Candidates and officeholders are generally prohibited from accepting such contributions.

SCHEDULE E: LOANS

These instructions are for candidates and officeholders using SCHEDULE E: LOANS.

Use this schedule to disclose information about loans and guarantees of loans accepted during the reporting period for campaign or officeholder purposes. This schedule must also be used to disclose deposits of personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. This schedule may also be used to disclose political expenditures from personal funds.

Loans to Your Campaign from Your Personal Funds: You may disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed as if they were made from political contributions. The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was \$5,000. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan. (You may also disclose political expenditures from personal funds on Schedule G. See the Schedule G instructions below for more information.)

Personal Funds Deposited into a Political Account: If you deposit personal funds in an account in which political contributions are held, you must disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction. Disclose the outgoing political expenditures made from that loan as if they were made from political contributions. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan.

Itemization: You must itemize loans (including loans from personal funds) that exceed \$110 that you accepted during the period from one person. If you accepted two or more loans from the same person, the total of which exceeds \$110, itemize each loan separately. You must also itemize loans that are made electronically by a person other than a financial institution, regardless of amount. Although you are not required to do so, you may also itemize any other loans that do not exceed \$110.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE E:** After you have completed Schedule E, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.

- 4. TOTAL OF UNITEMIZED LOANS:** Enter the total amount of loans accepted during the reporting period that did not exceed \$110 in the aggregate per person and were not from financial institutions, unless the loans were made electronically.

Although you are not required to do so, you may itemize loans of \$110 or less from persons other than financial institutions on this schedule. If you itemize some loans of \$110 or less, do not include those loans in the total you enter here. If you choose to itemize all loans of \$110 or less, enter a “0” here.

- 5. DATE OF LOAN:** Enter the date you *accepted* the loan.
- 6. IS LENDER A FINANCIAL INSTITUTION?:** If you accepted the loan from a corporation that has been legally engaged in the business of making loans for more than one year, choose “Y” for yes. If you accepted the loan from any other source, choose “N” for no. A loan from a corporation that has not been legally engaged in the business of making loans for more than one year is a corporate contribution. Candidates and officeholders may not accept corporate contributions.
- 7. NAME OF LENDER:** Enter the full name of the person or financial institution that made the loan. If the lender is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the lender is an entity, enter the full name of the entity.

“Out-of-State PAC” box: See instructions for Schedule A1, section 5.

Note: See the Campaign Finance Guide for detailed information on accepting and reporting contributions from out-of-state political committees.

- 8. LENDER ADDRESS:** Enter the complete address of the person or financial institution that made the loan.
- 9. LOAN AMOUNT:** Enter the principal amount of the loan.
- 10. INTEREST RATE:** Enter the interest rate.
- 11. MATURITY DATE:** Enter the maturity date.
- 12. PRINCIPAL OCCUPATION OR JOB TITLE:** Candidates for and holders of statewide offices in the executive branch, and candidates for and holders of legislative offices, must disclose the principal occupation or job title of each individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$1,080 or more during the reporting period. Other types of filers are not required to report this information but may do so.
- 13. EMPLOYER:** Candidates for and holders of statewide offices in the executive branch, and candidates for and holders of legislative offices, must disclose the full name of the employer of an individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$1,080 or more during the reporting period. Other types of filers are not required to report this information but may do so.

- 14. DESCRIPTION OF COLLATERAL:** If there is no collateral for the loan, check the “none” box and go to section 15. If there is collateral for the loan, enter a description of the collateral for the loan.
- 15. “Check if personal funds were deposited into political account” box:** Check this box *only if* the loan is a deposit of your personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported as if they were made from political contributions. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.
- 16. GUARANTOR INFORMATION:** If there are no guarantors for the loan, check the “Not Applicable” box and skip sections 17 through 21. If you have no further loans to report, go to the next applicable schedule.

Note: A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution on this schedule, and not on the applicable contributions schedule.

- 17. NAME OF GUARANTOR:** Enter the full name of the person guaranteeing the loan. If the guarantor is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the guarantor is an entity, enter the full name of the entity.
- 18. GUARANTOR ADDRESS:** Enter the complete address of the guarantor.
- 19. AMOUNT GUARANTEED:** Enter the exact amount of the loan that the guarantor has agreed to guarantee.
- 20. PRINCIPAL OCCUPATION:** Enter the principal occupation of the guarantor.
- 21. EMPLOYER:** Enter the employer of the guarantor.

SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about political expenditures from political contributions that were made during the reporting period. Do not enter on this schedule unpaid incurred obligations, political expenditures made from personal funds, the purchase of investments from political contributions, expenditures made by credit card, or payments from political contributions made to a business that you own or control. (Report unpaid incurred obligations on Schedule F2; report expenditures from personal funds on Schedule G; report the purchase of investments from political contributions on Schedule F3; report expenditures made by credit card on Schedule F4; and report payments from political contributions made to a business that you own or control on Schedule H.)

Expenditures Made by Credit Card: You must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for non-political payments from political contributions), as applicable. See instructions for Schedule F4: Expenditures Made by Credit Card for more information.

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter expenditures paid to one individual or entity during the reporting period that in the aggregate exceed \$220 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded \$220, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed \$220 in the period on this schedule. If you choose not to itemize expenditures of \$220 and less on this schedule, you must total all unitemized expenditures and report them on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F1:** After you have completed Schedule F1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date the expenditure was made. Remember: expenditure obligations you incurred in this reporting period **but have not yet paid** are entered on Schedule F2. Expenditures made by credit card are entered on Schedule F4.
- 5. PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

6. **AMOUNT:** Enter the exact amount of the expenditure.
7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.
8. **PURPOSE OF EXPENDITURE:** You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure was made does not adequately describe the purpose of an expenditure.

(a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. If none of the listed categories apply, select “Other” and enter your own category. Examples of acceptable categories include:

Advertising Expense

Accounting/Banking

Consulting Expense

Contributions/Donations Made By Candidate/Officeholder/Political Committee

Credit Card Payment

Event Expense

Fees

Food/Beverage Expense

Gifts/Awards/Memorials Expense

Legal Services

Loan Repayment/Reimbursement

Office Overhead/Rental Expense

Polling Expense

Printing Expense

Salaries/Wages/Contract Labor

Solicitation/Fundraising Expense

Transportation Equipment and Related Expense

Travel In District

Travel Out Of District

Other (Enter your own category, if none of the listed categories apply)

(b) Description: Enter a brief statement or description of the candidate or officeholder activity that was conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

“Check if travel outside of Texas” box: Check this box if the expenditure was for travel outside of Texas. The description of a political expenditure for travel outside of Texas must include detailed information. Report this information on Schedule T.

“Check if Austin, TX, officeholder living expense” box: Check this box if the expenditure is an officeholder expense for living in Austin, Texas.

For examples of acceptable ways to disclose the purpose of an expenditure, see "Examples: Purpose of Expenditures."

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER: If you made a direct campaign expenditure to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an *in-kind contribution*. However, if you did not get the candidate’s approval *before* you made the expenditure, you made a *direct campaign expenditure*.

SCHEDULE F2: UNPAID INCURRED OBLIGATIONS

These instructions are for candidates and officeholders using SCHEDULE F2: UNPAID INCURRED OBLIGATIONS.

Use this schedule to disclose information about obligations to make an expenditure that you incurred during the reporting period but have not yet paid. If under normal business practices, the amount of an expenditure is not known or readily ascertainable until receipt of a periodic bill, do not report it on this schedule. Do not enter on this schedule obligations that were incurred and paid during the reporting period, or other outgoing funds. (Report obligations incurred and paid during the reporting period on Schedule F1, F3, G, H, or I as appropriate, and report expenditures made by credit card on Schedule F4.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: Itemization requirements differ depending on whether the unpaid incurred obligation is for a political or non-political expenditure.

Unpaid Incurred Political Obligations: You must enter political obligations incurred but not yet paid to one individual or entity during the reporting period that in the aggregate exceed \$220 on this schedule. If you incurred more than one obligation to the same payee during the reporting period, the total of which exceeded \$220, enter each expenditure separately. Although you are not required to do so, you may also report political obligations incurred to one person that do not exceed \$220 in the period on this schedule. If you choose not to itemize incurred political obligations of \$220 and less on this schedule, you must total all unitemized obligations and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$220 or less on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F2:** After you have completed Schedule F2, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED UNPAID INCURRED OBLIGATIONS:** Enter the total amount of political obligations incurred during the reporting period that do not exceed \$220 in the aggregate per person, unless itemized on this schedule. You are not required to itemize unpaid incurred political obligations of \$220 or less, but if you choose to do so, do not include those unpaid incurred obligations in the total you enter here.
- 5. DATE:** Enter the date the obligation was incurred. Remember: expenditure obligations you incurred *and* paid during the reporting period are entered on Schedule F1, G, H or I, as applicable. Expenditures made by credit card are disclosed on Schedule F4.

6. PAYEE NAME: See instructions for Schedule F1, section 5.

Note: If you incurred an obligation for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you incurred the obligation. Include that information under section 10, “Purpose of Expenditure.”

7. AMOUNT: Enter the exact amount of the incurred expenditure obligation.

8. PAYEE ADDRESS: Enter the complete address of the person to whom the obligation is owed.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the incurred obligation was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT

CANDIDATE/OFFICEHOLDER: See instructions for Schedule F1, section 9.

SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about investments purchased from political contributions during the reporting period. Do not enter on this schedule political expenditures from political contributions, unpaid incurred obligations, expenditures made by credit card, political expenditures made from personal funds, or payments from political contributions made to a business that you own or control. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2; report expenditures made by credit card on Schedule F4; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that you own or control on Schedule H.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter investments purchased with political contributions during the reporting period that in the aggregate exceed \$140 on this schedule. If you made two or more payments to the same payee to purchase an investment, the total of which exceeded \$140, enter each payment separately. Although you are not required to do so, you may also report investments purchased with political contributions that do not exceed \$140 in the period on this schedule.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F3:** After you have completed Schedule F3, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date you purchased the investment.
- 5. NAME OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the full name of the person or entity from whom you purchased the investment. If you purchased the investment from an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable (title is optional). If you purchased the investment from an entity, enter the full name of the entity.
- 6. ADDRESS OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the complete address of the person or entity from whom you purchased the investment.
- 7. DESCRIPTION OF INVESTMENT:** Enter a brief statement or description of the investment. For example, “Ten shares of stock in ABC Company.”
- 8. AMOUNT OF INVESTMENT:** Enter the exact amount of the investment purchased.

SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD

*These instructions are for candidates and officeholders using SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD. **Note: significant changes were made to Schedule F4 in 2024.***

Use this schedule to disclose information about expenditures made by a credit card. You must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card issuer. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for non-political payments from political contributions), as applicable.

Do not enter on this schedule: political expenditures from political contributions that were paid for with cash, check, or debit card; unpaid incurred obligations; political expenditures made from personal funds; or payments from political contributions made to a business that a candidate or officeholder owns or controls on this schedule. (Report political expenditures from political contributions that were paid for with cash, check or debit card on Schedule F1; report unpaid incurred obligations on Schedule F2; report the purchase of investments from political contributions on Schedule F3; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that a candidate or officeholder owns or controls on Schedule H.)

For examples regarding the disclosure of expenditures made by credit card, see “Examples: Reporting Expenditures Made by Credit Card.”

Itemization: Itemization requirements differ depending on whether the expenditure made by a credit card is for a political or non-political expenditure.

Political Expenditures Made by Credit Card: You must itemize political expenditures made by credit card that exceed \$220 (in the aggregate) to a single payee. If you made two or more expenditures to the same payee during the reporting period, the total of which exceeded \$220, enter each expenditure made by credit card separately. Although you are not required to do so, you may also report political expenditures made by credit card that do not exceed \$220 in the reporting period on this schedule. If you choose not to itemize political expenditures made by credit card of \$220 and less on this schedule, you must total all unitemized political expenditures and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$220 or less on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F4:** After you have completed Schedule F4, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.

- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED EXPENDITURES CHARGED TO ALL CREDIT CARDS:** Enter the total amount of political expenditures charged to all credit cards you used during the reporting period that do not exceed \$220 in the aggregate per person, unless itemized on this schedule. You are not required to itemize political expenditures made by credit card of \$220 or less, but if you choose to do so, do not include those political expenditures made by credit card in the total you enter here.
- 5. CREDIT CARD ISSUER:** Enter the full name of the financial institution that issued the credit card. Use a separate page of Schedule F4 for each credit card used.

Sections 6 through 9 are used to report information about each itemized expenditure made using the credit card listed in item #5 above. Each expenditure must have its own entry. If you made more than three expenditures using that same credit card during the period covered by the report, include additional pages of Schedule F4 and include the name of the credit card issuer in Item 5 on every page. Leave Item 4 blank except for the first page for that credit card issuer.

6. PAYMENT

- (a) Amount Charged:** Report the exact amount of the credit card expenditure.
- (b) Date Expenditure Charged:** Enter the date you charged the credit card.

Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

- (c) Date(s) Credit Card Issuer Paid:** List the date(s) that you made payments to the credit card issuer during the period covered by the report for this expenditure. If you made multiple payments to the credit card issuer during the period covered by the report, list the first and last dates that you made payments.

7. PAYEE

- (a) Payee Name:** See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card issuer.

Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

- (b) Payee Address:** Enter the complete address of the payee of the credit card expenditure.

- 8. PURPOSE OF EXPENDITURE:** Check only one box to indicate whether the credit card expenditure was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

(a) Purpose of Expenditure: See instructions for Schedule F1, section 8.

Note: Do not choose “Credit Card Payment” as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card issuer. Instead, choose the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

(b) Description: See instructions for Schedule F1, section 8.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT

CANDIDATE/OFFICEHOLDER: See instructions for Schedule F1, section 9.

SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS

These instructions are for candidates and officeholders using SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS.

Use this schedule to disclose information about political expenditures from personal funds that were made during the reporting period. Alternatively, you may choose to disclose political expenditures from personal funds as a loan on Schedule E (see the Schedule E instructions above for more information). Do not enter on this schedule information about personal funds deposited in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. (Report the deposit of personal funds into a political account as a loan on Schedule E.)

Expenditures Made by Credit Card: You must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for non-political payments from political contributions), as applicable. See instructions for Schedule F4: Expenditures Made by Credit Card for more information.

If you intend to seek reimbursement *in any amount* from political contributions for a political expenditure made from personal funds, you must either report the expenditure on Schedule E or itemize the expenditure on this schedule and check the box in Section 6 to indicate that you intend to seek reimbursement from political contributions. ***You may not correct a report to allow reimbursement.*** When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1.

See the Campaign Finance Guide for important restrictions regarding the use of political funds to rent or purchase real property.

FORM C/OH-FR: DESIGNATION OF FINAL REPORT

These instructions are for candidates and officeholders using Form C/OH-FR: C/OH REPORT: DESIGNATION OF FINAL REPORT. A final report must include this form (Form C/OH-FR) and the CAMPAIGN FINANCE REPORT (Form C/OH) with the “Final Report” box checked on page 1, section 9. It must also include Schedules A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T, as applicable.

GENERAL INFORMATION

For filing purposes, you are a “candidate” as long as you have an active appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate.

If you do not have an active appointment of campaign treasurer on file, you may not accept **campaign** contributions or make **campaign** expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an active appointment of campaign treasurer on file may accept **officeholder** contributions and make **officeholder** expenditures.

The effect of filing a final report differs depending on whether you are an officeholder at the time you file a final report.

Officeholders Filing a Final Report: You will not have to worry about surplus political funds and assets until you cease to be an officeholder. You may still be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are local officeholders who do not exceed \$1,080 in contributions or \$1,080 in expenditures during the reporting period.

If you cease to be an officeholder at a time when you do not have an active campaign treasurer appointment on file, and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder, you **must** file an annual report of unexpended contributions (Form C/OH-UC) not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. If your unexpended contribution report shows that your contributions maintained is now “\$0.00,” then you may file that unexpended contribution report at any time. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide for Candidates and Officeholders.

Non-Officeholders Filing a Final Report: You will no longer be required to file reports **unless** you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions. If you retain any of those items, you must file an annual report of unexpended contributions (Form C/OH-UC) not earlier than January 1 and not later than January 15 of each year after the year in which you filed your final report. If your unexpended contribution report shows that your contributions maintained is now “\$0.00,” then you may file that unexpended contribution report

at any time. You may not retain these unexpended funds longer than six years after the date of filing a final report. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide for Candidates and Officeholders.

ADDITIONAL INFORMATION REGARDING EXPENDITURES

EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card issuers.

Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made by credit card.

Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Entire Credit Card Bill in the Same Reporting Period

A candidate for elected office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy \$500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the \$1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 twice, once for the \$1,000 expenditure and again for the \$500 expenditure.
2. For the \$1,000 expenditure, the candidate reports an amount charged of \$1,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the office store in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Office Overhead/Rental Expense,” and the description is “Campaign Office Supplies.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the \$500 expenditure, the candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the sign company in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Signs.” In Section 8 of the schedule, the box for “Political” is also checked.
4. For the payment to the credit card issuer: a \$1,500 expenditure is reported on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”

5. Both \$1,500 amounts reported on Schedules F4 and F1 are also included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Entire Credit Card Bill in the Same Reporting Period

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes one payment from his personal funds account to pay the entire \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$3,000 expenditure.
2. The candidate reports an amount charged of \$3,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$3,000 in section 6(c). He identifies the print shop in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Materials.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the payment to the credit card issuer: a \$3,000 expenditure is reported on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
4. Both \$3,000 amounts reported on Schedules F4 and G are also included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A general-purpose committee (GPAC) uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card issuer, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$500 expenditure.
2. The GPAC reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. They identify the newspaper in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card issuer:

1. The GPAC reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card issuer, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. The judicial candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$500 expenditure.
2. The judicial candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. She identifies the newspaper in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.

3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the judicial candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card issuer was made:

1. The judicial candidate reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #5: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Make Partial Payments of the Credit Card Bill in Different Reporting Periods

A general-purpose committee (GPAC) uses its credit card to buy \$5,000 in political advertising for a mailer from a printing company. The committee receives the statement from the credit card issuer and makes one or more partial payments from political contributions of \$2,000 in that same reporting period. The committee pays the remaining \$3,000 from political contributions to the credit card issuer in a different reporting period.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$5,000 expenditure.

Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$5,000 amount reported on “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payments to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC):

1. For the \$2,000 payment(s) made during the same period that the expenditure was made, the GPAC reports a \$2,000 expenditure on the “Political Expenditures from Political

Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

EXAMPLES: REPORTING EXPENDITURES FROM PERSONAL FUNDS

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures from personal funds.

If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, you must report the expenditure in one of three ways. Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

Method #1: Itemize the expenditure on the “Political Expenditures Made from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty. When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures Made From Political Contributions” schedule (Schedule F1).

Example: On December 1, 2020, Candidate A spends \$500 of her own personal funds to purchase political advertising signs. She does not use a credit card for this purchase; the purchase is made using cash, check or a debit card. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2020.

If you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

Method #2: Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, F4, or H as appropriate). Do NOT report political expenditures made from the loan on Schedule G.

The amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1.

Example: In one reporting period, Candidate B spends \$5,000 of his own personal funds to purchase political advertising materials. He spends \$3,000 at Business One and \$2,000 at Business Two. He reports the expenditures as a \$5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions by disclosing the reimbursement on Schedule F1. He reports the reimbursement on Schedule F1. Candidate B is the payee, the category of the expenditure is “Loan Repayment/Reimbursement,” and “political

expenditure made from personal funds reported as a loan” is an acceptable brief description.

Method #3: Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, or H as appropriate). When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.)

Example: In one reporting period, Candidate C opens a campaign bank account and deposits \$5,000 of her own personal funds into the account. She makes one \$3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the \$5,000 as a loan on Schedule E, itemizes the \$3,000 expenditure for the political advertising on Schedule F1, and includes the remaining \$2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. Candidate C is the payee, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.

EXAMPLES: REPORTING STAFF REIMBURSEMENT

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

Example #1: The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – Itemize the payment (if over the \$220 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. **Do not** disclose as the payee the name of your staff worker.

Example #2: The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – Use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

Example #3: The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period **but** you reimburse the staff worker from political funds in a different reporting period – Use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

Congratulations on Your Decision to File for City Office

Serving as an effective city elected official requires dedication, knowledge, and a substantial time commitment, and there are countless reasons why people choose to run for public office. While you may have a very specific reason for seeking a place on the city council, you will be involved in a number of other issues that can have a lasting impact on your city's future. For this reason, becoming a city elected official can be one of the most rewarding experiences of your life. An understanding of your role on the city council—as a member of a team—is critical to your success.

This booklet is designed to familiarize you with the responsibilities of city elected office. Use it as a reference guide during your campaign. Don't hesitate to ask your city manager or city secretary questions about your specific city structure. If you are elected, you may want to seek out the many other resources that help to guide newly elected officials in their new roles.

Material contained in this brochure should not be viewed as a substitute for legal advice or specific information applicable to your city. In addition, if you're serious about your candidacy, you should consider other, more detailed information sources available to you, including:

- attending city council or board of aldermen meetings
- examining your charter, if your city is home rule
- reviewing city ordinances
- the *TML Handbook for Mayors and Councilmembers*

For information on elections, you may get additional information from the city clerk or secretary or the Texas Secretary of State's office. You should also consult your own attorney or familiarize yourself with the requirements of election laws.

Leadership Attributes for Councilmembers

Do you have the necessary leadership attributes to be an effective city leader? At a minimum, successful elected officials must devote a significant amount of time and energy to fulfill a position that answers directly to citizens. Some desirable leadership attributes include:

- a general understanding of city government
- willingness to learn about a wide range of topics
- integrity
- consistency
- confidence
- dedication to the interests of citizens and the community as a whole

- strong communication and team-building skills, including being a good listener
- openness to the thoughts and ideas of others
- being approachable and accessible
- willingness to work cooperatively

An Elected Official Wears Many Hats

Local elected officials have many responsibilities—policymaker, legislator, ambassador, and employer.

The office of mayor is the highest elected office in city government. City councilmembers are the city’s legislators, and their primary role is policymaking. The way administrative responsibilities are handled depends on your city type, with which you should be familiar.

Policymaker

As policymakers, it is the council’s responsibility to identify the needs of the citizens and to formulate a plan to meet those needs. Policymaking is a complicated process but can be simplified if the city council works together as a team and sets goals for the city. It is from the city council’s vision that the administrative staff of the city takes direction and goes about its daily work. The goals of the city should be clear. There are many legal, financial, and administrative considerations to implementing the goals of the city, and without clear direction the effectiveness of the city council can be diminished.

Legislator

Citizens look to the city council to exercise authority to preserve and promote their health, safety, and welfare. A city council may enact ordinances and resolutions and use its governmental powers for the public good. Citizens expect their city council to provide leadership in addressing issues. It is important to show respect for your fellow councilmembers and be willing to discuss issues thoroughly to reach a consensus on the best course of action for all citizens, whatever the issue.

Ambassador

As a member of your city council, you will be invited to participate in a variety of civic activities. These events will provide you with opportunities to learn more about what citizens of your city expect from city government. While not everyone likes this type of public spotlight, it is an important part of your role as a councilmember.

Employer

An understanding of your role as an elected official is vital to your relationship with the city staff. Just as in any productive employer-employee relationship, trust and respect are important. You can learn a great deal about the city from city employees. In many cities, councilmembers come and go, but the city staff continues to serve.

Mayors, Councils, and Boards of Aldermen

The mayor and city council or board of aldermen collectively serve as the governing body for a city and normally possess all legislative powers granted by state law. The positions of both councilmember and alderman have been compared to those of the members of the state legislature and the United States Congress. All these positions require elected officials to represent their constituents, to make policy decisions, to budget for the execution of the policies, and to see that their policies are carried out. Unlike their counterparts in state and federal offices, however, city officials are in direct contact with the citizens they serve on an ongoing basis.

Are You Eligible?

To run for office in a general law city in Texas, you must, among other requirements:

- be a citizen of the United States
- be at least 18 years old on the date of the election
- be a registered voter and have lived in the State of Texas for at least 12 consecutive months prior to the filing date for the election, and in your city or ward for at least six months prior to the filing date for the election
- not have been finally convicted of a felony for which you have not been pardoned or otherwise released from the resulting disabilities

Certain offices and certain city types have additional requirements in state law, so you should be sure to check with both the city and the Texas Secretary of State's Elections Division to ensure that you are eligible. A home rule city may set different requirements in its charter, so check with your city clerk or secretary on whether additional or different requirements apply. The Texas Secretary of State website is at www.sos.state.tx.us.

Filing for a Place on the Ballot

To run for city office, you must file an application with the city clerk or secretary. The application includes information required by the Texas Election Code and must be filed according to deadlines set by that code. A candidate may either file for a place on the ballot or as a write-in candidate, but an application must be filed in either case. A home rule city may also have additional requirements and procedures for filing for a place on the ballot. Your city clerk or secretary can inform you of the rules and deadlines.

Texas Ethics Commission Campaign Finance Filings

State law requires the filing of various forms by a candidate for city office. All candidates for city offices must file an "Appointment of a Campaign Treasurer by a Candidate" form with the city secretary before beginning their campaigns.

Candidates who do not intend to accept more than \$1,080 in political contributions or make more than \$1,080 in political expenditures may file a modified reporting declaration and operate under modified reporting. Under modified reporting, the candidate is not required to file any further forms beyond the final report, which is filed at the end of the campaign. Semiannual reports may still be required in some cases.

Candidates who intend to accept more than \$1,080 in political contributions or make more than \$1,080 in political expenditures, or who exceed that amount even after filing for modified reporting, must file under regular reporting requirements. Reports due under these requirements must be submitted by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports.

An opposed candidate in an upcoming city election who is using regular reporting must also file reports of contributions and expenditures 30 days and 8 days before the election. A candidate in a runoff must file a report 8 days before the runoff election. Candidates filing under regular reporting are also required to file a final report at the end of the campaign.

Detailed information on filing is available on the Texas Ethics Commission's website at www.ethics.state.tx.us.

An Introduction to City Government

Elected city officials should have a basic understanding of city government and the duties, authority, and limitations of an elected body. What follows is a brief introduction to a few basic governance issues.

Of course, there is no better way to understand what elected officials do than to attend council meetings. In addition, most cities and towns have advisory boards that are formed to make or recommend policy or quasi-judicial decisions, such as a planning commission or parks and recreation board. Serving on these and other appointed boards is another excellent way to become informed.

Types of City Government

Texas has more than 1,200 incorporated cities; each of them is either a home rule city or a general law city. Home rule cities are larger cities. A city with a population of more than 5,000 in which the citizens have adopted a home rule charter through an election is a home rule city. A home rule charter is the document that establishes the city's governmental structure and provides for the distribution of powers and duties.

General law cities are usually smaller cities. General law cities don't have charters. Rather, they operate according to specific state statutes. A general law city looks to the state constitution and state statutes to determine what it **may do**. If state law

doesn't grant a general law city the express or implied power to initiate a particular action, none may be taken. There are three categories of general law cities: type A, B, or C. If you are seeking office in a general law city, you should ask your city manager or city secretary to clarify the type in order to understand which state laws apply.

As opposed to general law cities, a home rule city operates according to its charter and looks to the state constitution and state statutes to determine what it **may not do**.

Forms of Government

There are two prevalent forms of city government in Texas:

Mayor-Council Structure

- The mayor is the ceremonial head of government and presides over council or board of aldermen meetings.
- The council or board of aldermen sets meetings.
- The council or board of aldermen sets policy.
- Depending on local charter and/or ordinances, applicable statute, or local practice, broad or limited administrative authority is vested with the mayor, members of the council or board of aldermen, an administrator, or designated department heads appointed by the mayor, council, or board of aldermen.

Council-Manager Structure

- The mayor is the ceremonial head of government and presides over council or board of aldermen meetings.
- The council sets policy and hires and fires the manager.
- The city manager normally has broad administrative authority.

Basic City Services

Services provided by cities vary. However, some typical services may include:

- **Public Safety**—police, fire, and sometimes ambulance service
- **Utilities**—water and sewer, trash collection, electric power, and natural gas
- **Land Use**—planning, zoning, code enforcement, and other regulatory activities
- **Transportation**—street construction and maintenance, traffic safety, and sometimes public transit
- **Recreation/Culture**—parks, recreation, libraries, and sometimes cultural facilities
- **Legal**—ordinances protecting the public health, safety, and welfare of the community

City Finance

In budgeting, the governing body makes important decisions about the operation and priorities of the city. Is a swimming pool more important than storm sewers? Does the city need a new library more than it needs extra police personnel? Should the potholes be filled or the street completely rebuilt? Budgeting is a process by which the governing body determines the city's standard of living—what the citizens need and want, what they are willing to pay, and what services they can expect to receive for their tax dollars.

Cities levy specific taxes to finance city services. In addition, many city services are financed in whole or in part by user fees and charges. The following are the most common taxes and fees levied by Texas cities:

- **Property tax**—levied on the valuation of taxable property located within the city
- **Sales tax**—levied on retail sales of tangible personal property and some specific services
- **Right-of-way rental fees**—levied on non-municipally owned utilities (telecommunications, electric, gas, water, cable television)

Finally, cities receive some revenues from various federal and state grant and allocation programs. TML provides a comprehensive guide to all revenue sources available to cities. The guide is called the *TML Revenue Manual for Texas Cities* and is available at www.tml.org.

Ethics and Conflicts of Interest

Various laws govern the behavior of a city official. A brief overview of the most commonly applicable statutes follows.

Local Government Code Chapter 171 – Conflicts of Interest

Definition of “conflict of interest”: A local public official has a conflict of interest in a matter if any action on the matter would involve a business entity or real property in which the official has a substantial interest, and if an action on the matter will result in a special economic effect on the business that is distinguishable from the effect on the public, or in the case of a substantial interest in real property, it is reasonably foreseeable that the action will have a special economic effect on the value of the property, distinguishable from its effect on the public. A local public official is also considered to have a substantial interest if a close relative has such an interest.

General rule: If a local public official has a conflict of interest in regard to a business entity or real property, that official must file an affidavit with the city secretary stating the interest and must abstain from any participation or vote on the

matter.

Exception: If a local public official has a conflict of interest and files an affidavit, the official is not required to abstain from further participation or a vote on the matter if a majority of the members of the governing body also have a conflict of interest and file an affidavit.

Penalties: Penalties for violating the conflict of interest provisions range from having the action voided to the imposition of fines and incarceration.

Local Government Code Chapter 176 – Conflicts Disclosure

Local Government Code Chapter 176 requires that “local government officers”—including mayors, councilmembers, and certain other executive city officers and agents—file a “conflicts disclosure statement” with a city’s records administrator within seven days of becoming aware of any of the following situations:

- A city officer or the officer’s family member has an employment or business relationship that results in taxable income of more than \$2,500 in the preceding 12 months with a person who has contracted with or is considering contracting with the city (“vendor”).
- A city officer or the officer’s family member receives and accepts one or more gifts with an aggregate value of \$100 in the preceding 12 months from a vendor.
- A city officer has a family relationship with a vendor.

The law also requires a vendor to file a “conflict of interest questionnaire” if the vendor has a business relationship with the city and has an employment or other relationship with an officer or officer’s family members, has given a gift to either, or has a family relationship with a city officer. The conflicts disclosure statement and the conflict of interest questionnaire are created by the Texas Ethics Commission and are available online at www.ethics.state.tx.us. An officer who knowingly fails to file the statement commits either a class A, B, or C misdemeanor, depending on the amount of the contract.

Government Code Chapter 553 – Conflicts Disclosure

Government Code Chapter 553 requires that city officers and candidates for city office who have a legal or equitable interest in property that is to be acquired with public funds file an affidavit within 10 days before the date on which the property is to be acquired by purchase or condemnation. The affidavit must be filed with: (1) the county clerk of the county in which the officer or candidate resides; and (2) the county clerk of each county in which the property is located.

A person who fails to file the required affidavit is presumed to have committed a Class A misdemeanor offense if the person had actual notice of the acquisition or intended acquisition of the property.

Financial Disclosure for Cities with a Population of 100,000 or More

Chapter 145 of the Texas Local Government Code requires candidates and elected city officials in cities with a population of 100,000 or more to fill out detailed financial statements to be filed with the city secretary or city clerk.

Nepotism

Definition of “nepotism”: Nepotism is the appointment or employment of a close relative of a city’s “final hiring authority (the city council or city manager, depending on the form of government)” to a paid position with the city.

General rule: A public official, acting alone or as a member of a governing body, generally may not appoint a close relative to a paid position, regardless of the relative’s merit. In addition, a person may not continue to be employed by a city if a close relative is elected to the city council, unless he or she falls under an exception.

Exception: If the employee has been continuously employed by the city for a certain period of time, an employee may remain employed by the city if a close relative is elected to city council.

Exception: The nepotism statute does not apply to cities with fewer than 200 people.

Penalties: Penalties for violating the nepotism provisions include a fine and immediate removal from office.

Dual Office-Holding/Incompatibility

Definition of “dual office-holding” and general rule: The Texas Constitution generally prohibits one person from holding more than one paid public office.

Definition of “incompatibility” and general rule: Texas law prohibits one person from holding two public offices, regardless of whether one or both offices are paid, if one position might impose its policies on the other or subject it to control in some other way. There are three types of incompatibility: (1) “self-appointment” incompatibility prohibits a member of a governing body from being appointed to a position over which the governing body has appointment authority; (2) “self-employment” incompatibility prohibits a member of a governing body from being employed in a position over which the governing body has employment authority;

and (3) “conflicting loyalties” incompatibility prohibits one person from holding two public offices in which the duties of one office might negatively affect the duties of the other office.

Penalties: A person who accepts a prohibited second office automatically resigns from the first office.

Open Government

Before assuming public office, you should become familiar with Texas Open Meetings Act (TOMA) and Public Information Act (PIA). These laws apply to political subdivisions in Texas, including cities, and outline what meetings and information must be open and available to the public.

Texas Open Meetings Act (TOMA)

The Texas Open Meetings Act (TOMA) reflects the policy that public bodies are engaged in the public’s business. Consequently, city council or board of aldermen meetings should be open to the public and held only after the public has been properly notified. The TOMA governs how city meetings are conducted. Some general principles follow.

Definition of “meeting”: A meeting occurs any time a quorum of the city council discusses public business that is within the city council’s jurisdiction, regardless of the location or means of communication (e.g., phone, in person, email).

General rule: Every regular, special, or called meeting of the city council and most boards and commissions (depending on membership and authority) must be open to the public.

Exception: TOMA does not apply to purely social gatherings, conventions and workshops, ceremonial events, press conferences, or candidate forums, so long as any discussion of city business is incidental to the purpose of the gathering, and no action is taken.

Exception: A city may use an online message board that is viewable by the public for city councilmembers to discuss city business. The message board must meet several criteria provided for in TOMA.

Exception: Statutorily authorized executive or “closed” sessions, including deliberations concerning: (1) the value or transfer of real property; (2) specific consultations with the council’s attorney; (3) specific personnel matters; (4) economic development; (5) certain security matters; (6) certain information related to emergencies and disasters; (7) a prospective gift or donation; (8) certain competitive matters relating to a city-owned electric or gas utility; or (9) potential items on tests that the council conducts for purposes of licensing individuals to

engage in an activity.

To hold an executive session, the governing body must first convene in open session, identify which issues will be discussed in executive session, and cite the applicable exception. All final actions, decisions, or votes must be made in an open meeting.

Agenda: A governmental body must post an agenda that includes the date, hour, place, and subject of each meeting. The agenda must be posted on a physical or electronic bulletin board at city hall in a place readily accessible to the public at all times at least three business days before the scheduled date of the meeting. In addition, for cities that have an Internet website, the city must post the city council's agenda at least three business days before the scheduled date of the meeting on that website.

In addition, for a meeting at which the governmental body will discuss or adopt its budget, the city's notice must include: (1) a physical copy of the proposed budget unless the proposed budget has been made clearly accessible on its website's homepage; and (2) a taxpayer impact statement containing specific information required by law.

Records of meetings: Cities must keep written minutes or recordings of all open meetings, and a certified agenda or recording of all executive/closed meetings, except for closed consultations with an attorney. The minutes must state the subject and indicate each vote, decision, or other action taken, and a city that has a website must post the approved minutes on that website.

Minutes and recording of an open meeting are public records, while certified agendas and recording of a closed meeting are confidential and cannot be released to the public except by court order.

Penalties: Penalties for violating the TOMA range from having the action voided to the imposition of fines and incarceration. Any action taken in violation is voidable and may be reversed in a civil lawsuit. There are four criminal provisions under the TOMA, including:

1. Knowingly engaging in a series of communications of less than a quorum of members discussing city business that will ultimately be deliberated by a quorum of members;
2. Calling or participating in an impermissible closed meeting;
3. Participating in an executive session without a certified agenda or recording; and
4. Disclosing a certified agenda or recording to a member of the public.

Texas Public Information Act (PIA)

The PIA governs the availability of city records to the public. Some general provisions follow.

Definition of "public information": Public information includes any information

that is collected, assembled, or maintained by or for a governmental entity, regardless of the format. Public information can include city-related emails or texts on a city official's personal devices/accounts.

General rule: Most information held by a city is presumed to be public information and must be released pursuant to a written request.

Exceptions: Specific statutory exceptions to disclosure allow certain types of information to be withheld from the public. Other statutes make certain kinds of information "confidential by law," meaning that a city must withhold that information from the public. Because there are numerous exceptions, city officials should consult with local counsel immediately on receipt of a request.

Procedure: Any member of the public may request information in writing. A city official is prohibited from inquiring into the requestor's motives and is generally limited to: (1) releasing the information as quickly as is practicable, but generally not later than ten business days following the request; or (2) requesting an opinion from the Texas attorney general's office within ten business days of the receipt of the request as to whether the information may be withheld. Recent statutory changes and rulings by the attorney general have granted cities the authority to withhold specified types of confidential information without going through the process of seeking an opinion from the attorney general's office.

Penalties: Penalties for violating the PIA range from a civil lawsuit against the city or a city official to the imposition of fines and incarceration. There are three general criminal provisions under the PIA, including: (1) refusing to provide public information; (2) providing confidential information; and (3) destroying government information improperly.

Open Government Training

Each elected or appointed member of a governmental body must take at least one hour of training in both the Open Meetings Act and the Public Information Act. For more information, please visit the attorney general's website at www.texasattorneygeneral.gov.

A Basic Glossary of City Government

Budgeting: Crafting, passing, and following a city budget are among the most important tasks you will perform as a councilmember. Cities cannot make expenditures except in strict accordance with a budget, and they can levy taxes only in accordance with the budget.

Conflicts of Interest: As a councilmember, you are prohibited from voting or deliberating on agenda items that affect your own business, financial interests, or

real property. You'll be required to file an affidavit with the city secretary disclosing the details of your conflict, and that affidavit becomes a public record. Also, you are required to disclose in writing the receipt of any gifts or income from any vendor that does business with the city.

Dual Office-Holding/Incompatibility: Councilmembers cannot hold other paid public offices; in many cases, they cannot hold other unpaid public offices, either. Further, councilmembers can't take paid jobs with their own city, nor can they appoint themselves to other posts or positions. Finally, think twice about announcing to run for another public office while you're still a councilmember—you may automatically resign your council seat when you do. Check with your city attorney or the Texas Municipal League before considering any other position or job that might be a problem.

Employment Policies: In general law cities, the final authority on employment decisions typically rests with the council as a whole. In home rule cities, the charter usually determines who makes employment decisions. As a member of the council, you should familiarize yourself with the city's employment policies and periodically consult with your city attorney to ensure the policies are kept up to date.

Government Transparency: The Texas Public Information Act and the Open Meetings Act require access to records and meetings. After a city receives a written request for information under the Public Information Act, it must promptly provide copies or access to information, with limited exceptions. The Texas attorney general generally determines whether information is excepted from disclosure to the public. City councils are required to conduct their meetings in accordance with the Open Meetings Act. City officials are required by law to attend training in both Acts.

Gifts and Donations: Cities are prohibited by the Texas Constitution from giving money or anything of value to a private individual, association, or corporation. The exception to this doctrine is when the city council determines that a donation will serve a public purpose of the city. The decision as to what constitutes a public purpose is left to the discretion of the city council but may be overturned by a court. State law also places strict requirements on what gifts an elected official or candidate may receive. Officials and candidates should review these rules before giving or accepting any gift.

Holdover: The Texas Constitution includes a provision that allows an elected official who is no longer qualified for office to continue to serve until his or her vacancy is filled by a qualified individual. This provision allows a city to continue to conduct business even when it loses one or more councilmembers. However, some disqualifications may prevent the disqualified councilmember from continuing to serve as a holdover, and this issue should be reviewed upon the vacancy being created.

Liability: Councilmembers will generally be held personally liable only for actions taken outside the scope of their duties and responsibilities as members of the

governing body. However, the city itself will be potentially liable for actions taken by its councilmembers within the scope of their official duties. (See Tort Claims Act below.)

Meeting: Almost everyone intuitively knows what a meeting is. For example, a regular meeting of a city council, where agenda items are discussed and formal action is taken, is clearly a meeting. However, according to the Texas Open Meetings Act, other gatherings of the members of a governmental body may constitute a meeting. Generally, any time a quorum is present and city business is discussed, all of the Open Meetings Act requirements, including posting of a notice and preparation of minutes, must be followed.

Quorum: A city council must have a quorum to call a meeting to order and conduct business. The number of councilmembers required to establish a quorum varies by city. A quorum in a general law city is determined by state law, and a quorum in a home rule city is spelled out in the city's charter.

Tort Claims Act: The Texas Tort Claims Act limits governmental liability and provides for damage caps for governmental entities. The Act provides that liability for engaging in 36 specifically enumerated "governmental functions" (such as provision of police and fire protection, maintaining city parks, and other activities one expects of a local government) is limited by statute to \$250,000 for personal injury claims and \$100,000 for property damage claims. The Tort Claims Act does not generally provide for private causes of action against individual councilmembers for the actions of the city government.

Votes by Council: When a council votes on an ordinance or resolution, all that is typically needed to pass the item is a majority of those present and voting. While a quorum is the number needed to conduct a meeting, it is not necessary that a quorum actually vote on each agenda item. Local practices may vary from city to city, however.

POLITICAL ADVERTISING

What You Need to Know

The Texas Election Code requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under [Chapter 255 of the Election Code](#), which is distinct from political reporting requirements under [Chapter 254 of the Election Code](#).

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is a Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wis. Right to Life, Inc.*, 551 U.S. 449 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way, there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should the Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising is audio only and does not include written text.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions to the Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute;
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)
6. postings or re-postings on an Internet website if the person posting or re-posting is not an officeholder, candidate, or political committee and did not make an expenditure exceeding \$100 in a reporting period for political advertising beyond the basic cost of hardware messaging software and bandwidth;
7. an Internet social media profile webpage of a candidate or officeholder, if the webpage clearly and conspicuously displays the full name of the candidate or officeholder; and
8. postings or re-postings on an Internet website if the advertising is posted with a link to a publicly viewable Internet webpage that either contains the disclosure statement or is an Internet social media profile webpage of a candidate or officeholder that clearly and conspicuously displays the candidate's or officeholder's full name.

V. What Should I Do If I Discover That My Political Advertising Does Not Contain a Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The [Fair Campaign Practices Act](#) sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign

treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Notice to Political Subdivisions and School Districts.

You may not use public funds or resources for political advertising. Please see our “Publications and Guides” section of our website for more information.

ROAD SIGNS

I. When Is the “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should the “Right-Of-Way” Notice Say?

Section 259.001 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have to Have the “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs and How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government or your homeowner’s association. The Texas Ethics Commission does not have

jurisdiction over matters involving the location of signs, and the length of time that they may be posted.

MISREPRESENTATION

I. Are There Restrictions on the Contents of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

A non-incumbent may not be allowed to use the following verbiage:

**Elect John Doe
Attorney General**

**John Doe
Attorney General**

III. Misrepresentation of Identity or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use of State Seal.

Only current officeholders may use the state seal in political advertising.

V. Criminal Offenses.

Be aware that many violations of the Election Code are criminal offenses. For example, unlawfully using public funds for political advertising can be a Class A misdemeanor. So can misrepresenting one's identity or office title in political advertising. For more details on these offenses and political advertising in general, see [Chapter 255 of the Election Code](#).

- a. The sign shall be installed no earlier than 45 days prior to the election date.

(b) A person commits an offense if the person:

(1) knowingly enters into a contract to print or make a political advertising sign that does not contain the notice required by Subsection (a); or

(2) instructs another person to place a political advertising sign that does not contain the notice required by Subsection (a).

(c) An offense under this section is a Class C misdemeanor.

Promoting Public Confidence in Government

Fundraising Events

Rule No. 1

File a Campaign Treasurer Appointment

All candidates must file a campaign treasurer appointment with the proper filing authority before accepting a campaign contribution or making or authorizing a campaign expenditure, including an expenditure from personal funds.

All political committees must file a campaign treasurer appointment before accepting or spending over \$1,140, and additional requirements may also apply.

Rule No. 2

No Raffles

Texas law allows only certain charitable and nonprofit organizations to conduct raffles to support their charitable causes. An unlawful raffle may constitute illegal gambling, which may carry criminal penalties.

For more information see: texasattorneygeneral.gov/divisions/financial-litigation/charitable-trusts/charitable-raffles-and-casinopoker-nights on the Office of the Attorney General's website.

Rule No. 3

No Cash Contributions Over \$100

Texas law prohibits a candidate, officeholder, or specific-purpose committee from accepting political contributions in cash (excluding checks) that in the aggregate exceed \$100 from a single contributor in a reporting period.

Rule No. 4

Auction Activity is Reportable

Donations to a candidate or political committee at a fundraiser are campaign contributions.

An item donated to be auctioned at a fundraiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution. Both the item and the purchase price must be reported as political contributions.

Rule No. 5

No Anonymous Contributions

Texas law requires filers to know the name of each contributor and the amount of each contribution, even for small contributions. Do not “pass the hat” or use a contribution jar. Depending on the filer and the amount of the contribution, additional information may be required.

Rule No. 6

No Contributions from Corporations or Labor Organizations

Texas law prohibits corporations and labor organizations from making political contributions to candidates, officeholders, and related specific-purpose committees. Contributions to GPACs are also restricted. Limited exceptions also exist.

The prohibition also applies to other organizations, such as partnerships and limited liability companies (LLC), if they are owned by a corporation or include an incorporated member or partner.

Rule No. 7

No Contributions from Foreign Nationals

The Federal Election Campaign Act (FECA) prohibits certain foreign nationals from contributing, donating, or spending funds in connection with any federal, state, or local election in the U.S., either directly or indirectly. It is also unlawful to help foreign nationals violate that ban or to solicit, receive, or accept contributions or donations from them.

Rule No. 8

No Misuse of Government Property to Campaign

Chapter 39 of the Penal Code prohibits a public servant from using government property, services, personnel, or any other thing of value belonging to the government to obtain a benefit or to harm or defraud another. The commission has held that the use of state computers to prepare campaign finance reports, or to use state resources to gather information for a campaign fundraiser, constitutes a misuse of government property.

CONFLICT OF INTEREST QUESTIONNAIRE

For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):
